På denne website finder du den **fuldstændige menu** fra Nok i Randers. I øjeblikket er der **16** menuer og drikkevarer tilgængelige. Café Wilhelms offers a mixed dining experience. While some customers found the pizzas to be disappointing in terms of taste and size, others appreciated the affordable buffet option with decent meat and sides. The service was described as adequate, but the lack of staff and missing items like soft serve and drink refills was noted. Overall, the prices were considered fair, and the food was deemed tasty for the cost. While opinions varied, Café Wilhelms seems to offer a budget-friendly option with room for improvement in certain areas.
