Mangia, a cozy Italian restaurant in Frederiksberg, offers delicious food and friendly staff. The white minimalist decor may not be very appealing, but the focus is on the culinary experience. The food is tasty, but portions are small and prices are a bit high. The staff is charming and helpful. The atmosphere can be a bit noisy. Customers praise the delicious food, especially the tiramisu. Overall, Mangia is a great spot for authentic Italian cuisine, with quality ingredients and excellent service. Not to be missed for a memorable dining experience in Copenhagen.
