Her finder du den [menu](#) fra **Gl. Logten Strandkro** i Syddjurs. I øjeblikket er der **20** anretninger og drikkevarer i menuen. Strandkro restaurant offers a tranquil and meditative experience surrounded by nature, with fresh and tasty limited menu options. The view and service were commendable, despite some minor misunderstandings with staff. The peaceful setting by the water and reasonable prices make it a great getaway from urban life in Aarhus. The beautiful apartments with fantastic views and good breakfast add to the appeal of this lovely spot. However, some guests found the food to be bland and overpriced, with service that left much to be desired. The inn itself was clean but had a strange smell, and communication issues regarding room bookings were reported.
