Here you can find the [menu](#) of **Kneaders Bakery Cafe** in [Parker](#). At the moment, there are **19** courses and drinks on the menu. Kneaders Bakery & Café presents a mixed dining experience, attracting attention for its friendly service and diverse menu, reminiscent of popular chains with an interesting twist. While patrons rave about the delicious soups, particularly the wild rice and chicken and the creamy mushroom and artichoke, complaints frequently arise regarding order accuracy and customer service. Several customers reported receiving incorrect items and inadequate resolutions for their grievances, leaving a sour impression. However, breakfast offerings like croissants and chicken sandwiches earned positive reviews. Overall, Kneaders stands out for its homemade fare but faces challenges in consistency and service quality.
