Pomle Nakke Traktørsted offers a beautiful location with delicious smørrebrød and Vandbakkelse dessert.

However, the small portions and high prices may disappoint. The service has been described as rude and inattentive at times. The restaurant is praised for its cozy atmosphere, friendly staff, and quality of food. The view over the bay is stunning, but service may be inconsistent. Overall, Pomle Nakke offers a lovely dining experience with room for improvement in portion sizes and service quality, making it a recommended spot for a special meal in a beautiful setting.
